

ASPETE

**Welcome to the
Public & International Relations Office
of
The School of Pedagogical & Technological Education**

ASPETE's **Public & International Relations Office** aims to contribute to the promotion and enhancement of ASPETE's image and reputation on a local, national and international level.

Among its responsibilities are:

- to coordinate public relations across ASPETE's Departments and Services
- to coordinate ASPETE's major events, including conferences, symposia, ceremonies, etc
- to provide a steady flow of information to the general public, visitors and delegates
- to plan, compile and edit ASPETE's promotional and other publications
- to develop and support ASPETE's academic linkages
- to develop and support international partnerships, including bilateral accords and memoranda of understanding that may highlight and/or cover potential areas of cooperation
